

FOG MAKER *Elefantino*

Pressure 70bar
Fan jet 18m

Fog maker Elefantino

Trolley-mounted high pressure fog maker with 70bar pumping module and 30 misting nozzles, ON-OFF control panel for pump and fan controls. Fan range: 18 metres.

- Ideal for suppression of fine dust, in small to medium sized areas such as in renovation of buildings and when handling dusty materials
- Movable on pneumatic wheels or via a lifting hook

Code	Pressure	Flow rate	Drop size	Power	Dimensions	Weight
ZX.8401	60bar	6,5l/min	12mcr	3,7Kw (3x400V-50Hz)	640 x 920 x 1050	85kg
ZX.8402	70bar	11l/min	18mcr	3,7Kw (3x400V-50Hz)	640 x 920 x 1050	85kg
ZX.8403	70bar	15l/min	24mcr	4,4Kw (3x400V-50Hz)	640 x 920 x 1050	95kg
ZX.8404	70bar	21l/min	24mcr	5,2Kw (3x400V-50Hz)	640 x 920 x 1050	105kg

Technical features

- **Frame** made of painted steel
- **Operating pressure:** 70bar
- **No. of nozzles:** 1 crown with 30 nozzles
- **Maximum fan jet:** 18m (without wind)
- **Power supply:** 3x400V-50Hz
- **Power absorption:** fan 2,2kW
- **Protection rating:** IP54
- **Elevation:** 0° +40°
- **Fan diameter:** 410mm
- **Noise:** < 87Lwa
- **ON/OFF** switch
- **Dimensions WxLxH** 640 x 920 x 1050 mm
